“ So many memories.... he was the best grandpa a girl could ask for!
His swims to the island and back....
Drives to the general store to get your paper and i would get a little black jawbreaker....
Long talks and wisdom you would share...
Our talks after we lost mom.....
Our 2 last days together and i will cherish that forever!
Even the lectures...that was not a lecture....
So many memories i will miss you forever papa I love you rest in peace xoxoxo
