

Mr. Gebhard Heinz Mueller

September 19, 1927 - October 8, 2017

Passed peacefully with family by his side at the General & Marine Hospital, Collingwood, ON, on Sunday, October 8th, 2017 at the age of 90. Gebhard, beloved husband of Anni for 62 years. Loving father of daughter Susan Mueller and her spouse Ray Tucker, son Peter and his wife Susan and son Gary. Cherished Opa of Eric, Miranda, Maya, Jared and Step-Opa of Amy and Michael. Gebhard was a proud father who cared deeply for the well-being of his children and grandchildren. He was always quick to lend a hand or offer something he thought might be helpful or interesting from his extensive collection of books and videos. After arriving in Canada from Germany in 1958, he had a successful career as a hard-working and meticulous machinist. Although he could make and fix just about anything, he was particularly proud of having installed the kitchen at the top of the CN tower. In his retirement he found unending pleasure working in his garden, continuing to enjoy the out of doors that he loved and had shared with his young family. He will be missed and remembered fondly by all those he loved so much. Cremation has taken place and a private family service will be held.

Donations may be made to the Collingwood General & Marine Hospital.

“ Sue, it is with a sad heart that one tries to wrap one's head around the death of a parent, regardless of circumstance or situation. And the many emotions associated with that loss can be overwhelming. You are an integral part of our family...know that we love you and are thinking about you, your mom, your brothers, their families, and Ray as you search for peace and some comfort at this difficult time.

“ I did not know Gebhard intimately, or even personally, yet in a way I did know him through his family, and primarily his beautiful daughter, the woman I call "Sue", but whom I know and love as my Uncle Ray's wife. Okay, so Sue is more comfortable and familiar with "Sue", rather than "Aunt", but Sue you are that to me, and I really love and admire you. I am grateful to Gebhard for taking part in bringing you into this world. I have always related to you as being someone who has had such a profound, lasting, and loving influence on me, even when I have at times been a petulant and

disagreeable nephew. You have such a loving heart and such patience and kindness, and I am sure that over the years you have had many people tell you as much.

While your father Gebhard will live on for me as a man I never knew but did in a way, you will always be for me one of the most open and loving people I have had the privilege and honour to know and love. You have been there throughout my entire life. I do not know how many people in your life can say that you have been there for their entire lives, but as one of those lucky people, I say with gratitude that your influence has inspired in me a sense of joy and acknowledgement for the love I have in my life through your relationship with me; along with your wisdom, insights, loving, kind, gentle words, and voracious appetite for a life full of beauty, fun, and interesting adventures. To whatever extent your dad had an influence on you living this kind of life, I am so grateful for the difference he has made in my life through my relationship with you, a difference which he never knew and I never shared fully with you either until now.

I am so sorry for your loss and for yours, Annie, Peter, and Gary, and the rest of your family members. Uncle Ray, I am sorry for your loss as well.

Gebhard may possibly never truly have known the legacy he has left in this world through the people who were most important to him in his life, though I'm sure he probably did know this through the love of his family. He may never have known the extent of how he lives on through so many people he never knew intimately, but on whose lives he has nevertheless without a doubt been pivotal in his legacy through his wife, children, and other loved ones.

With you Annie, Sue, Peter, Gary, and all of the rest of Gebhard's most beloved and cherished loved ones, I share with you my love and gentle thoughts and prayers as you move through all the emotional spaces of being complete and at peace with Gebhard's recent passage from this world. May you all take heart in these and other words that your friends and loved ones share with you.

“Anni, Sue, Peter, Gary and families, we are sorry to learn about Gebhard. Gebhard welcomed my brother into your family, and my parents spoke fondly of many shared visits with Anni and Gebhard. Our thoughts are with you.

“ Losing someone is always hard. No matter who they are, they leave a hole in our lives that can never truly be filled. It shakes our worldview and reminds us how precious are the moments we have with those we love and to make the best of the moments to come with those who remain in our lives.

Sue, I never had the opportunity to meet your dad, so I'm not sure what more I can say than to offer my condolences and let you know that we're thinking of you and your family and sending love to you all.
