Gault; Maureen Ann

November 1 1942 – April 4, 2020

Died Peacefully at the Georgian Triangle Hospice- Campbell House, Collingwood Ontario. Beloved daughter of the late Jack & Kathleen Gault and Loving granddaughter of Harry and Alice Allen.

“Moe” was born and raised in Toronto and moved to Thornbury in 1977, later taking up residence in Collingwood, where she was employed at Nacan Products for a number of years.

Moe took full advantage of the amenities in Collingwood, golfing at Blue Mountain Golf Course, skiing at Blue Mountain and volunteering with Collingwood Special Olympics for many years. Her athletes were a personal sense of pride for Moe. Whistler was a favourite destination for Moe in her younger years where she shared many happy times skiing with friends.

Moe's greatest loves were her cherished friends and their children. She was spunky, loving and fiercely loyal. She had a passion for life and was always willing to lend a helping hand. Her legacy will live on in anyone that had the honour to know her. We miss her already.

Arrangements are entrusted in Chatterson Funeral Home. Cremation has taken place. A private celebration of life will be held at a later date. Donations in Moe's name can be made to Campbell House or a charity of your choice.

“ I am so sorry to hear about Maureen. We have been friends for more than 50 years and enjoyed visiting her in Thornbury and Collingwood. We skied together, spent time in Panama City Beach and she visited me in Fergus, Ontario. I will miss her big smile and contagious laugh. We always had wonderful conversations and I considered her a very dear and loving person. My children grew up with Maureen and loved her dearly. Please advise date and time of her service.

“ Moe and I were buds from the very beginning, as our parents were friends even before we came along. Not only have I lost a dear friend, I've also lost a travel buddy. Over the years we've had wonderful golf trips, skiing vacations, jaunts to Las Vegas, California Coastal Highway excursion, birthday celebrations in Orlando where we tried to be kids again (photo attached), and many more. It just won't be the same without her.

“ Moe was a very special lady. My favourite memory was when a number of us ended up in Las Vegas at the same time. Moe graciously agreed to be the flower girl at the drive thru nuptials of Miss Barbara and myself. Sadly the wedding never took place. It was a great trip. One laugh after another.

Although our meetings were infrequent we always had a great conversation and a laugh.

Rest easy my friend, you will be dearly missed.

“ Sweet Moe was a huge part of my life for well over four decades. She was so kind, generous, giving and quick with a laugh and a huge hug. She was always interested in our lives, the lives of our kids and our Granddaughters - and the dogs too! She had such spirit and a real zest for life. She would absolutely howl when we shared some of our memories from the 70's 80's and all of the Chicks on Sticks capers. We had a lot of laughs together, logged many miles skiing on our favourite runs, Smart Alec and Tranq, which then led to a few pops at the Lazy Lounge and Jozo's afterwards. Moe was well loved by everyone and truly loved her many, many friends

and their families alike. For my part she will be missed dearly, so very dearly.

“ My dear Moe will be sadly missed by my family and myself. We had been friends since the mid eighties. One of the pictures I am posting is of Moe and myself at my 25th wedding anniversary. You might notice the Moe sized glass of wine. One of the traditions I am carrying on my dear lady. We had some good times over the years. You were always there for me and in later years my mum. May you Rest In Peace and know you were loved.

“ Moe was a neighbour and a friend. She had a generous soul, loved all kids, had a smile that would light up a room. The twinkle in her eyes will never be forgotten. Love the picture of her laughing. Thanks Karen for everything.
